Introducing...

HuFriedyGroup

The Best In Practice

Who We Are

We are a combination of companies that have come together under one roof to deliver the products, services, and solutions you need to be the best in practice. With our passion for infection prevention solutions, premium instrumentation, and service and support programs, HuFriedyGroup will help you perfect your craft and continue to deliver the highest level of care to each patient.

What Can You Expect From HuFriedyGroup?

HuFriedyGroup is here to provide the best dental experience to the industry. Our unique combination of products, services, and support enable dental professionals like you to reduce risk, improve efficiencies, drive compliance, and enhance patient and staff safety.

World-Class Products

Our unwavering passion and unrivaled expertise in the dental industry is evident in the instruments and infection prevention products you trust each and every day.

Compliance & Protection

We provide solutions that help you to ensure a safe environment for patients and staff.

Service & Support

Through our community platforms, customer service and educational programs, we provide you with the information and tools you need to perfect your craft.

Proud members of HuFriedyGroup:

DID YOU KNOW? All hinged instruments – forceps, rongeurs, scissors, pliers, hemostats, orthodontic pliers, etc. – should be kept lubricated. Regular use of proper lubricants, like HU-FRIEDY Instrument Lubricant Spray (ILS), will prevent rust, corrosion and stiff joints to ensure smooth operation. **All hinged instruments should be sterilised in the open position.**
